A non-refundable registration fee of \$300 per person is required and due at the time you register. This will be deducted from your total tour fare, the balance of which will be due by July 15, 2018. If you need to cancel the trip for any reason after July 15, 2018 you will be at a loss of \$500 on top of the \$300 registration fee, otherwise you will receive a full refund (minus the \$300 non-refundable registration fee).

Securing or updating a passport is your responsibility. Passports must be valid 6 months past travel date. Citslinc will handle visa applications on your behalf. Cost of visa is \$155. Travelers will need to provide a photocopy of their passport, copy of driver license or ID and the \$155.00 visa application fee to Citslinc International, Inc. This is not necessary if passengers already hold a valid individual visa, or prefer to apply for a valid individual visa under their own efforts and responsibility.

There will be a valuable pre-tour briefing for all participants; date, time and location will be announced. We will answer all of your questions and familiarize you with details you will need to know. Citslinc International Inc. has 35 years of experience in the China tour business, has worked with hundreds of Chambers of Commerce from across the country, and we are confident we can respond to your inquiries to your satisfaction.

China is a modern country, so you need not feel as though you are preparing to travel back in time to a less sophisticated society. In many instances, the country is not "behind" so much as "different." For example, you will find very few ATM machines, but travelers' checks and credit cards are accepted everywhere, so leave your checkbooks and check cards behind. The electricity in China is 220 volts and requires an adapter for American electronics. Both the adapter and the hair dryer are available at the hotels in which we will be staying, but it is recommended that you bring your own adapter if you will need to plug anything in. Though you will be treated to sumptuous regional foods, you will also find many American fast-food chains including McDonalds, KFC and Starbucks.
